

Race Management Software

This is the access to the race management software developed by Tom Holthaus. You and your team will be able to display the following from your smart phone, tablet, or laptop using your web browser:

1. 2015 Race Schedule
2. Recent & Upcoming Heat
3. Complete Mixed Grid
4. Complete Woman's Grid
5. Saturday Seeding for Mixed, Women's and High School

The link to the system with your web browser is: <http://www.golfminion.com/dragonboat>
We hope you will enjoy this new service.
